The truly wonderful powers of this remedy have called forth testimonials from all ranks of society, in all quarters of the world.

Cure of a Cough and improvement of the voice.

The declaration of Mr. Hamlyn, clerk of Unicorn Chapel, Tooley-street, London.

My attention was first attracted to Dr Locock's Wafers, by their having cured my wife of a bad cough and cold, for which she had been a considerable time under medical treatment without effect, and perceiving that they were recommended for the voice, and as I often suffered from hoarseness and a tightness of the chest, I took a few and found the most perfect and immediate benefit from them; and ever since, if I take cold, or have any hoarseness or huskiness of the voice, on taking two or three wafers it is immediately removed. I also find that they certainly improve the voice, increasing its power and flexibility.

7, Albion-place, Walworth, May 15, 1845.

Remarkable cure of a fourteen years' Asthma.

Mrs. Willing, 71, Red cross-street, Southwark, had an asthma for fourteen years; nothing ever gave her relief until she took Dr. Locock's Wafers, four boxes of which have all but cured her.

Another cure of a fourteen years' Asthmatic Cough in Hull.

From Mr. Edward Preston, coal merchant, Paragon-street, April 6, 1845.

Sir,—Grateful for the relief my wife has experienced by the use of Locock's Pulmonic Wafers, from a distressing asthmatic cough, with which she was afflicted for the last fourteen years, I feel a great desire that her surprising cure should be made known for the benefit of those suffering as she did. E. PRESTON.

Important to all who sing.

From S. Pearsall, Esq., of Her Majesty's Concerts, and Vicar Choral of Lichfield Cathedral, Lichfield, July 10, 1845.

Gentlemen.—A lady of distinction, having pointed out to me the qualities of Dr. Locock's Wafers, I was induced to make trial of a box, and from this trial I am happy to give my testimonial in their favour. I find by allowing a few of the wafers (taken in the course of the day) to gradually dissolve in the mouth, my voice becomes bright and clear, and the tone full and distinct.

They are decidedly the most efficacious of any I have ever used. S. PEARSALL.
